

htc TOUCH™ DUAL

The ultimate in touch and type

Embrace the beauty of technology with the HTC Touch™ Dual

Delivering a revolutionary touch experience that will change the way you use your phone, forever. The HTC Touch™ Dual effortlessly combines an intuitive touch screen and keypad within a stunning design.

Everything you need is at your fingertips. With the flick of your thumb, the touch screen slides to reveal a handy smart-sized keyboard. If you prefer to touch, then the revolutionary TouchFLO™ interface allows you to quickly guide through emails, messages, music and images at the touch of a finger, making navigation a breeze.

A single touch of the screen activates the HTC Home™ screen, providing an instant view of email, calendar, messages, missed calls, dynamic weather updates and more.

High speed, always on connectivity provides you with the ultimate internet experience - wherever you are.

Experience a whole new sensation.
The HTC Touch™ Dual.
